New Service

The Company is prepared to introduce the following service to the market:

Distribution: Our primary focus is cataloging audio and video assets from recording artists especially of the digital nature. "youtubers and so called Soundcloud rappers" is one of the five primary markets OMG is interested in.

What we do is Place audio and video assets into the retail marketplace such as Spotify to take advantage of exploiting the streaming revenues available through membership fees and roylaties. With each release the goal is to jumpstart the asset with a robust marketing and promotion campaign leveraged through our labels relationships.
