RE: Acquisition Search

Ruslan,

I'm happy to provide you this letter in reference to the potential of providing financing to you. I have reviewed your extensive financials situation and experience and am comfortable stating that based on this information you should qualify for the acquisition of a business priced at $5,000,000. This is based on my ample experience and consideration as the top SBA lender in the industry.

This would greatly depend on the seller's tax returns and financial statements along with other factors. If the seller was willing to carry financing this could increase the amount substantially, however the maximum loan allowable per SBA guidelines is $5,000,000.

Should you have any questions please let me know.

Sincerely,

Jared W. Johnson
