SPECIAL MESSAGES

ADDITIONAL IMPORTANT DISCLOSURES PERTAINING TO YOUR STATEMENT

Regarding the Portfolio Value Over Time chart:

Many factors can impact the portfolio value over time such as contributions to the account, distributions from the account, the reinvestment of dividends and interest, the deduction of fees and expenses, and market performance. Past performance is not a guarantee of future results.

Regarding the Investment Objective and Asset Allocation Guidelines section:

Asset class range guidelines could change based upon periodic updates to policies and/or if your investment objective is updated based upon consultations with your advisors. Market volatility and client direction could result in allocations outside our recommended ranges.

PORTFOLIO DETAIL MESSAGES

Time of trade execution and trading party (if not disclosed) will be provided upon request.

Publicly traded assets are valued in accordance with market quotations or valuation methodologies from financial industry services believed by us to be reliable. Assets that are not publicly traded may be reflected at values from other external sources. Assets for which a current value is not available may be reflected at a previous value or as not valued, at par value, or at a nominal value. Values shown do not necessarily reflect prices at which assets could be bought or sold. Values are updated based on internal policy and may be updated less frequently than statement generation. For additional information, please contact your U.S. Bank representative.

Cost adjustments made to previously reported sales to reflect the impact of IRS wash sale rules may result in adjustments to reported year-to-date losses. Consequently, this period's beginning cost basis may differ from the basis reported in the prior period. The gain and loss figures reported on this statement are provided for informational purposes only and should not be used for tax reporting purposes. Please consult with your tax or legal advisor for questions concerning your personal tax or financial situation.

Any legal proceeding based on a claim brought against the trustee(s) for an alleged breach of trust based on information contained in this statement must be commenced within one year from the date this statement was sent.

Estimated Current Yield and Estimated Annual Income are estimates provided for informational purposes only and should not be relied on for making investment, trading, or tax decisions. The estimates may not represent the actual value earned by your investments and they provide no guarantee of what your investments may earn in the future.

*** This asset is held or controlled by the customer or by a third party on behalf of the customer, and is reported for customer recordkeeping purposes only. U.S. Bank does not have actual custody or control of this asset. With the exception of most marketable securities, the description of the asset and its price (or value) may have been provided to U.S. Bank by the customer or a third party and should not be relied upon for any purpose.

SALE/MATURITY SUMMARY MESSAGES

Realized gains / losses are preliminary and approximate and should not be used for income tax purposes

Glossary

Accretion - The accumulation of the value of a discounted bond until maturity.
Adjusted Prior Market Realized Gain/Loss - The difference between the proceeds and the Prior Market Value of the transaction.
Adjusted Prior Market Unrealized Gain/Loss - The difference between the Market Value and the Adjusted Prior Market Value.
Adjusted Prior Market Value - A figure calculated using the beginning Market Value for the fiscal year, adjusted for all asset related transactions during the period, employing an average cost methodology.
Amortization - The decrease in value of a premium bond until maturity.
Asset - Anything owned that has commercial exchange value. Assets may consist of specific property or of claims against others, in contrast to obligations due to others (liabilities).
Bond Rating - A measurement of a bond's quality based upon the issuer's financial condition. Ratings are assigned by independent rating services, such as Moody's, or S&P, and reflect their opinion of the issuer's ability to meet the scheduled interest and principal repayments for the bond.
Cash - Cash activity that includes both income and principal cash categories.
Change in Unrealized Gain/Loss - Also reported as Gain/Loss in Period in the Asset Detail section. This figure shows the market appreciation (depreciation) for the current period.
Cost Basis (Book Value) - The original price of an asset, normally the purchase price or appraised value at the time of acquisition. Book Value method maintains an average cost for each asset.
Cost Basis (Tax Basis) - The original price of an asset, normally the purchase price or appraised value at the time of acquisition. Tax Basis uses client determined methods such as Last-In-First-Out (LIFO), First-In-First-Out (FIFO), Average, Minimum Gain, and Maximum Gain.
Ending Accrual - (Also reported as Accrued Income) Income earned but not yet received, or expenses incurred but not yet paid, as of the end of the reporting period.
Estimated Annual Income - The amount of income a particular asset is anticipated to earn over the next year. The shares multiplied by annual income rate.
Estimated Current Yield - The annual rate of return on an investment expressed as a percentage. For stocks, yield is calculated by taking the annual dividend payments divided by the stock's current share price. For bonds, yield is calculated by the coupon rate divided by the bond's market price.
Ex-Dividend Date - (Also reported as Ex-Date) For stock trades, the person who owns the security on the ex-dividend date will earn the dividend, regardless of who currently owns the stock.
Income Cash - A category of cash comprised of ordinary earnings derived from investments, usually dividends and interest.
Market Value - The price per unit multiplied by the number of units.
Maturity Date - The date on which an obligation or note matures.
Payable Date - The date on which a dividend, mutual fund distribution, or interest on a bond will be made.
Principal Cash - A category of cash comprised of cash, deposits, cash withdrawals and the cash flows generated from purchases or sales of investments.
Realized Gain/Loss Calculation - The Proceeds less the Cost Basis of a transaction.
Settlement Date - The date on which a trade settles and cash or securities are credited or debited to the account.
Trade Date - The date a trade is legally entered into.
Unrealized Gain/Loss - The difference between the Market Value and Cost Basis at the end of the current period.
Yield on/at Market - The annual rate of return on an investment expressed as a percentage. For stocks, yield is calculated by the annual dividend payments divided by the stock's current share price. For bonds, yield is calculated by the coupon rate divided by the bond's market price.
