SPECIAL MESSAGES

ADDITIONAL IMPORTANT DISCLOSURES PERTAINING TO YOUR STATEMENT

Regarding the Portfolio Value Over Time chart:

Many factors can impact the portfolio value over time such as contributions to the account, distributions from the account, the reinvestment of dividends and interest, the deduction of fees and expenses, and market performance. Past performance is not a guarantee of future results.

Regarding the Investment Objective and Asset Allocation Guidelines section:

Asset class range guidelines could change based upon periodic updates to policies and/or if your investment objective is updated based upon consultations with your advisors. Market volatility and client direction could result in allocations outside our recommended ranges.

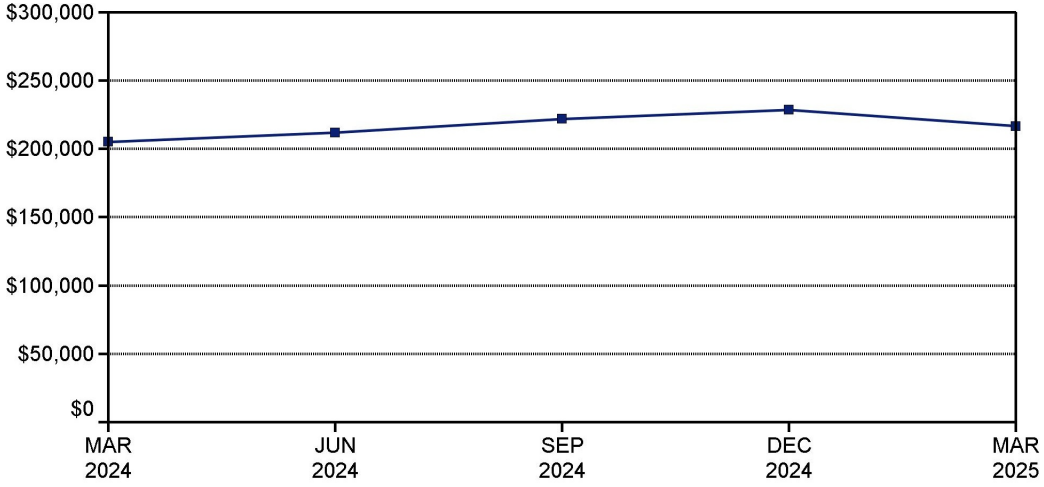
Portfolio Value Over Time



Investment Objective and Asset Allocation Guidelines

Aggressive Growth/ Tax Aware

Designed to provide a relatively high level of capital growth. Investors should have sufficient time and tolerance for substantial price and return volatility and relatively large declines in value. This portfolio may employ high allocations to various equity categories including small company and international company equity securities. Tax Aware selected.

Equity Securities	59-100%
Fixed Income Securities	0-37%
Real Assets Securities	0-29%

This Investment Objective information is included to allow you to reconfirm it is consistent with the purpose of the account. Please contact your portfolio manager if you have questions or would like to discuss your investment objective further.

PORTFOLIO DETAIL MESSAGES

Time of trade execution and trading party (if not disclosed) will be provided upon request.

Publicly traded assets are valued in accordance with market quotations or valuation methodologies from financial industry services believed by us to be reliable. Assets that are not publicly traded may be reflected at values from other external sources. Assets for which a current value is not available may be reflected at a previous value or as not valued, at par value, or at a nominal value. Values shown do not necessarily reflect prices at which assets could be bought or sold. Values are updated based on internal policy and may be updated less frequently than statement generation.
