INDEPENDENT ACCOUNTANT'S REVIEW REPORT

Board of Directors
Chenmark Holdings, Inc.

We have reviewed the accompanying consolidated financial statements of Chenmark Holdings Inc. and Subsidiaries (herein referred to as the Company or Chenmark Holdings, Inc.), which comprise the balance sheet as of December 31, 2023, and the related consolidated statements of income and comprehensive income, changes in stockholders' equity and cash flows for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of Company management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the consolidated financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagements in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the consolidated financial statements for them to be in accordance with U.S. generally accepted accounting principles. We believe that the results of our procedures provide a reasonable basis for our conclusion.

We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our review.

Accountant's Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying consolidated financial statements in order for them to be in accordance with U.S. generally accepted accounting principles.

Report on Restatement Adjustments to Prior Year Financial Statements

As part of our review of the 2023 consolidated financial statements, we also reviewed the adjustments described in Note 2 that were applied to restate the 2022 consolidated financial statements in connection with the Company's acquisition accounting and deferred income taxes. Based on our review, we are not aware of any material modifications that should be made to the adjustments that were applied to restate the 2022 consolidated financial statements in order for the statements to be in accordance with U.S. generally accepted accounting principles.
